## Application Forms for Public Policy - Application for Permanent Residence under the Updated Temporary Public Policy for Extended Families of Former Afghan Interpreters

You **must** print this document, complete it and include it in your application as **the cover page**.

Gather your documents **in the order of the checklist** and check  each item. Attach small items such as photos with a paper clip, otherwise leave documents unbound. Place all documents in a sealed envelope and follow the steps in the [instruction guide](#). If your documents are not in English or French, you **must include the English or French translation** with a certified copy of the original document. Applicants should use the services of a certified translator who is in good standing with their provincial or territorial organization and certified to translate documents if in Canada or accredited (officially recognized or authorized) in the country where the translation is being completed if outside Canada. In situations where the translation cannot be provided by a certified translator, it must be accompanied by an affidavit swearing to the accuracy of the translation and the language proficiency of the translator.

**Note: If you are unable to provide any of the supporting documentation, please include with your application, a written explanation with full details as to why that documentation is unavailable.** Failure to provide supporting documents in certain circumstances may result in the refusal of your application.

In the context specific to the current circumstances in Afghanistan, if you are unable to fill out, print, sign and mail your forms for reasons of safety and security, accessibility, or lack of access to the required technology, your family member in Canada (former Afghan interpreter) could fill out the application for you. However, you must provide a dated and signed letter attesting the following:

- I declare that I have reviewed all of the information contained in my application for Permanent Residence in its final form and that it is truthful, complete and accurate.
- I understand that any false statements or concealment of material fact may result in me being inadmissible to Canada and may be grounds to refuse my application and subsequent applications as well as my prosecution or removal from Canada.
- I understand that by signing this document, I am signing my application.

If the forms are not signed and there is no letter **that includes all of the above** with the application, it will be returned as incomplete.

Also, if you intend to appoint a representative with the Use of Representative form (IMM 5476), you could provide a second declaration (signed and dated) that states the following:

- I authorize the following individual to serve as my representative and to conduct business on my behalf with Immigration, Refugees and Citizenship Canada and Canada Border Services Agency.
