

DOCUMENT CHECKLIST

Temporary public policy to facilitate the granting of permanent residence to certain Ukrainian foreign nationals

As you work through the steps, check for each applicable item.

IMPORTANT: If you cannot provide one or more document(s) required by this checklist, you must provide a detailed written explanation for each missing document. You must also provide any other evidence or documents you have available to satisfy the requirement.

How to apply: When submitting an online application, you'll need to upload this form and other required documents with your application. **You do not need to sign any PDF forms** except for the Use of a representative (IMM 5476) form and Authority to Release Personal Information to a Designated Individual (IMM 5475) form, if applicable. Some forms will be completed as part of the online application. You will need to complete PDF versions of these forms.

If your documents are not in English or French, you must include the English or French translation with a certified copy of the original document and an affidavit from the person who completed the translation (if the translation is not provided by a member in good standing of a provincial or territorial organization of translators and interpreters in Canada).

The checklist of required documents is subject to change. You need to refer to the application kit on the IRCC website periodically while preparing your application to ensure that you have included all forms and documents listed on the most up-to-date checklist.

 **NOTE:** The Principal applicant is responsible for completing the forms on behalf of their dependents who are 18 years of age and older. When asked for photocopies of documents, please upload a pdf of the original document to your online application. You have to answer all questions and sign all forms where applicable. When you sign these documents, you certify that all information provided therein, whether prepared by you or not, is complete and accurate.

If you or someone else is acting on your behalf directly or indirectly submits false documents or misrepresents facts relating to your application for permanent residence:

- Your application may be refused;
- The circumstances of your refusal will be entered into Canada's global immigration database; and
- You and your family members could become inadmissible to Canada for five years under section 40(2) of the Immigration and Refugee Protection Act.

It is your responsibility to notify us and provide the relevant supporting documentation if there are changes in the following:

- Family status (e.g. marriage or common-law union, divorce, annulment, legal separation, birth, adoption, death of the principal applicant or any accompanying family members, including grandchildren born of dependent children); or
- Mailing Address/email address/contact information.

Any changes which we have not been informed of will delay processing or may result in the refusal of the application or the exclusion of a family member.
